

How to verify IAR submission in CCIM web site

1. Log in to CCIM (IAR) web site using your login ID
2. Select **"Submissions"** on the menu bar =>
3. Click **"Review History"** =>
4. Enter **'Transaction ID'** =>
(The Transaction ID is located in Mede-care under IAR submission history once the file is send to CCIM)
5. Click **"Search"**

Search by all or by a specific Transaction ID. It will list all of the uploaded transactions by Event Status. If it was a successful transaction then it will list it as "Success". If there was an error it will list it as "Fail" and you will have to look up why through the Error ID code.

The screenshot displays the CCIM web interface. On the left is a navigation menu with 'Submissions' and 'Review History' highlighted. The main area is divided into 'Search Criteria' and 'Search Results'. The 'Search Criteria' section includes fields for Audit Event ID, User ID, Submission ID, Assessment ID, Assessment Version, Organization, and Error ID, along with a 'Reset' button. The 'Transaction ID' field is highlighted with a red box. Below it are fields for Submission Method, File Name, Assessment Data Type, Assessment Record Type, Date Range (From/To), and Error Type. A 'Search' button is also highlighted with a red box. The 'Search Results' section shows a table with the following data:
