

How to Access Your eLearning Course Certificate

1. Log in to the MED e-care eLearning portal: <https://mede-care.learnworlds.com/>
2. Click on **My Profile** and then **My Courses & Certificates** in the top-right hand corner:

3. You will see a list of all the certificates you have earned.
Click **Download Certificate** on the one you need:

Please note that Bitesize courses do not come with a certificate.

You will receive a certificate the first time you complete a course. Any future completions won't generate a new certificate.

A certificate shows that you have completed the course; it does not assess or guarantee competency.
